

KPO'S CONTRIBUTION IN ACHIEVING UN SDG

SDG targets	Chapter / topic disclosed in the Report
3. Ensure healthy lives and promote well-being for all at all ages	
3.4 By 2030, reduce by one third premature mortality from non-communicable diseases through prevention and treatment and promote mental health and well-being	Occupational health and safety: Disease control in employees, Healthy lifestyle promotion
3.5 Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol	Occupational health and safety: Prohibition on Use of Alcohol, Drugs, Psychotropic and Toxicomaniac Substances (their analogues) in KPO, alcohol test.
3.6 By 2020, halve the number of global deaths and injuries from road traffic accidents	Health and safety performance: Road safety
3.8 Achieve universal health coverage, including financial risk protection, access to quality essential health-care services and access to safe, effective, quality and affordable essential medicines and vaccines for all	Health and safety: Improving the quality of emergency care, Disease control amongst employees, Medical insurance, Promotion of healthy lifestyle, Emergency capability upgrade project In Aksai hospital
3.9 By 2030, substantially reduce the number of deaths and illnesses from hazardous chemicals and air, water and soil pollution and contamination	Asset Integrity, Emergency Response management, Safety Practices, Workplace Attestation, Environmental monitoring, Air emissions, Waste management, Water consumption and disposal
4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all	
4.3 By 2030, ensure equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university	KPO scholarship programme and partnership with universities, Graduates Development Programme
4.4 By 2030, substantially increase the number of youth and adults who have relevant skills, including technical and vocational skills, for employment, decent jobs and entrepreneurship	KPO Scholarship Programme and Partnership with universities, Graduates Development Programme
4.a Build and upgrade education facilities that are child, disability and gender sensitive and provide safe, non-violent, inclusive and effective learning environments for all	Supporting social infrastructure: construction of kindergartens, schools, sports complexes within the framework of social infrastructure projects
5. Achieve gender equality and empower all women and girls	
5.1 End all forms of discrimination against all women and girls everywhere	Compensations and benefits, Personnel training and development, KPO Female Network, Diversity and inclusiveness
5.4 Recognize and value unpaid care and domestic work	Data on Parental and child care leaves at KPO
5.5 Ensure women's full and effective participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life	Number of local and expatriate managers by age and gender, KPO Female Network

SDG targets	Chapter / topic disclosed in the Report
6. Ensure availability and sustainable management of water and sanitation for all	
6.3 By 2030, improve water quality by reducing pollution, eliminating dumping and minimizing release of hazardous chemicals and materials, halving the proportion of untreated wastewater and substantially increasing recycling and safe reuse globally	Water consumption and disposal
6.4 By 2030, substantially increase water-use efficiency across all sectors and ensure sustainable withdrawals and supply of freshwater to address water scarcity and substantially reduce the number of people suffering from water scarcity	Re-use of treated and other wastewater
6.6 By 2020, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes	Biodiversity Conservation
7. Ensure access to affordable, reliable, sustainable and modern energy for all	
7.1 By 2030, ensure universal access to affordable, reliable and modern energy services	Power supply
7.2 By 2030, increase substantially the share of renewable energy in the global energy mix	KPO 365 Strategy, Obligations imposed by the Law on Support of the Use of Renewable Energy Sources
7.3 By 2030, double the global rate of improvement in energy efficiency	Energy efficiency
8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all	
8.1 Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries	KPO Indirect economic impact on the region development: Supply chain, Local Content development, Payments to the Republic, Compensations and benefits
8.3 Promote development-oriented policies that support productive activities, decent job creation, entrepreneurship, creativity and innovation, and encourage the formalization and growth of micro-, small- and medium-sized enterprises	Supply Chain, Local Content Development
8.4 Improve progressively, through 2030, global resource efficiency in consumption and production and endeavour to decouple economic growth from environmental degradation, in accordance with the 10-Year Framework of Programmes on Sustainable Consumption and Production, with developed countries taking the lead	KPO 365, Gas Flaring
8.5 By 2030, achieve full and productive employment and decent work for all women and men, including for young people and persons with disabilities, and equal pay for work of equal value	Compensations and benefits, Industrial Relations, Diversity and inclusiveness
8.7 Take immediate and effective measures to eradicate forced labour	Human Rights, Industrial relations
8.8 Protect labour rights and promote safe and secure working environments for all workers, including migrant workers, in particular women migrants, and those in precarious employment	Safety Practices, Workplace Attestation, Employee relations, Industrial relations
9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation	
9.1 Develop quality, reliable, sustainable and resilient infrastructure, including regional and transborder infrastructure, to support economic development and human well-being, with a focus on affordable and equitable access for all	Supporting social infrastructure

SDG targets	Chapter / topic disclosed in the Report
9.2 Promote inclusive and sustainable industrialization and, by 2030, significantly raise industry's share of employment and gross domestic product, in line with national circumstances, and double its share in least developed countries	Local Content development
9.4 By 2030, upgrade infrastructure and retrofit industries to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies and industrial processes, with all countries taking action in accordance with their respective capabilities	KPO 365 Strategy, Digitalization and continuous improvement, Digitalization program in Health Department, Obligations imposed by the Law on Support of the Use of Renewable Energy Sources, Environmental Protective Measures Plan
10. Reduce inequality within and among countries	
10.3 Ensure equal opportunity and reduce inequalities of outcome, including by eliminating discriminatory laws, policies and practices and promoting appropriate legislation, policies and action in this regard	Business conduct, Code of Conduct, Diversity and inclusiveness
11. Make cities and human settlements inclusive, safe, resilient and sustainable	
11.4 Strengthen efforts to protect and safeguard the world's cultural and natural heritage	Research on preservation of historical and cultural heritage sites , Biodiversity Conservation, Case study "Move of the monument from Berezovka village to Araltal neighbourhood"
12. Ensure sustainable consumption and production patterns	
12.1 Implement the 10-Year Framework of Programmes on Sustainable Consumption and Production Patterns, all countries taking action, with developed countries taking the lead, taking into account the development and capabilities of developing countries	KPO 365 Strategy
12.2 By 2030, achieve the sustainable management and efficient use of natural resources	KPO 365 Strategy, KPO Green Strategy, Environmental Impact
12.4 By 2020, achieve the environmentally sound management of chemicals and all wastes throughout their life cycle, in accordance with agreed international frameworks, and significantly reduce their release to air, water and soil in order to minimize their adverse impacts on human health and the environment	Waste management, Treated wastewater discharges, Reuse of treated and other wastewater, Industrial Wastewater Management
12.5 By 2030, substantially reduce waste generation through prevention, reduction, recycling and reuse	Waste management
12.6 Encourage companies, especially large and transnational companies, to adopt sustainable practices and to integrate sustainability information into their reporting cycle	KPO 365, Technologies in drilling, Environmental Impact
12.8 By 2030, ensure that people everywhere have the relevant information and awareness for sustainable development and lifestyles in harmony with nature	KPO Sustainability Reports for the periods from 2009 to 2023, 10th Principle of the KPO Sustainable Development Charter
13. Take urgent action to combat climate change and its impacts	
13.1 Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries	Climate-related risks and opportunities, Climate change and energy transition, KPO 365 Strategy, KPO Green Strategy
13.2 Integrate climate change measures into national policies, strategies and planning	Climate-related risks and opportunities, Climate change and energy transition KPO 365 Strategy, KPO Green Strategy

SDG targets	Chapter / topic disclosed in the Report
13.3 Improve education, awareness-raising and human and institutional capacity on climate change mitigation, adaptation, impact reduction and early warning	KPO 365 Strategy, KPO Green Strategy
15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss	
15.1 By 2020, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and drylands, in line with obligations under international agreements	Biodiversity Conservation
15.2 By 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally	Project "Organization and improvement of the estimated KOGCF sanitary protection zone"
15.5 Take urgent and significant action to reduce the degradation of natural habitats, halt the loss of biodiversity and, by 2020, protect and prevent the extinction of threatened species	Biodiversity Conservation
16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels	
16.5 Substantially reduce corruption and bribery in all their forms	Business conduct
16.6 Develop effective, accountable and transparent institutions at all levels	Governance structure and management approach
16.10 Ensure public access to information and protect fundamental freedoms, in accordance with national legislation and international agreements	Sustainability Report, Public hearings, Grievance mechanisms
16.b Promote and enforce non-discriminatory laws and policies for sustainable development	KPO Code of Conduct , KPO Business Principles , KPO Sustainable Development Charter , KPO 365 Strategy
17. Strengthen the means of implementation and revitalize the Global Partnership for Sustainable Development	
17.7 Promote the development, transfer, dissemination and diffusion of environmentally sound technologies to developing countries on favourable terms, including on concessional and preferential terms, as mutually agreed	Local Content Development, Obligations imposed by the Law on Support of the Use of Renewable Energy Sources, Best Available Techniques (BAT) for environmental protection
17.14 Enhance policy coherence for sustainable development	KPO 365 Strategy, KPO Sustainable Development Charter
17.16 Enhance the Global Partnership for Sustainable Development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the Sustainable Development Goals in all countries, in particular developing countries	Stakeholder engagement, Business partnerships and associations, Uralsk Green Forum
17.17 Encourage and promote effective public, public-private and civil society partnerships, building on the experience and resourcing strategies of partnerships	Supporting social infrastructure, Local Content development, Stakeholder engagement, Business partnerships and associations, Uralsk Green Forum
